Hi, Kelley. My home phone is working again; I guess Verizon made the repair. You can call me on my land line Ex. 6 - Personal Privacy at 1:00, since that's more comfortable than my cell phone. Thanks.

Hi, Kelley. I am available today at 1:00. My landline has been down since the storm on Friday night, so please call my cell phone Ex. 6 - Personal Privacy or send me the call in number. Thanks.

Hi Dawn -

Thanks for the quick response. Rich and I are hoping to talk with you Monday - if you are available.

I think the afternoon would work better for us - are free around 1pm?

- Kelley

Hi, Kelley. Attached are the memos I prepared for the second round of sampling from HW04, HW06, HW07 and HW08A. Although not marked as draft, they should be considered such until comments (if any) are received and the memos are revised accordingly.

I will be in the office until 4:30 today (but in a meeting from 3:30 - 4:30), then on Annual Leave tomorrow (6/28) and Friday (6/28). If you have any questions while I'm out, I can be reached by cell phone Ex. 6 - Personal Privacy -- that is, unless the sound of the pounding surf drowns out my the ringtone. : )
